

MISSISSIPPI DIVISION OF MEDICAID
Antihistamine/Decongestant Product and Active Ingredient Cross-Reference List

The agents listed below are the antihistamine/decongestant drug products listed in the Mississippi Medicaid Preferred Drug List (PDL). This is a cross-reference between the drug product name and its active ingredients to reference the antihistamine/decongestant portion of the PDL. For more information concerning the PDL, including non-preferred agents, the OTC formulary, and other specifics, please visit our website at www.medicaid.ms.gov.

List Effective 07/16/10
